

Andoo chairs. Design: EOOS.

The Andoo family is all about elegant proportions, materials and details. The sprung elastic backs and the pocket springs in the seat give the seating comfort of an armchair. Available with low and high backs, with or without armrests as well as with open or closed armrests.

## Designawards

## Model no.

See technical drawing

## Frame

Solid wood beech, oak, oak stained wengé, or americ. nut wood. Beech stained as per colour chart P77 or painted in special colours against additional charge. Flexible back with torsions springs.
