Clyde club seating range designed by naughtone

design

The Clyde club sofa and chair range is a product of our passion for clean tailored upholstery and classic functional design. The quilted and buttoned seat and back of clyde ooze familiarity while the scooped profile and stainless steel sled base retain its unique contemporary edge. Clyde has a comfortable but formal sit. ideal for working, hospitality and retail environments. The compact footprint of clyde rounds off it's practical benefits and go toward making clyde the successful classic within the naughtone range that it is.

technical

The main body of the clyde range is constructed with FSC certified hardwood and CMHR foams. The two base options are made from hand polished stainless steel and FSC certified hardwood. *All dimensions quoted are rounded to the nearest 5mm or nearest 1/2 inch.
