carlo  
designed by Boss

You can be assured that Carlo will enhance any interior with its simple yet classic lines. The chair has been designed to grace any meeting environment and makes for a distinctive and stylish visitor chair.

Its bold design blends a robust frame structure with a sprung seat for additional comfort and support. Carlo's polished steel finish looks elegant and enhances the chairs durability for stacking.

### Environmental statement

At Boss Design we are passionate about caring for the environment and holder of the Queen's Award for Enterprise for Sustainable Development, FSC accredited and a carbon neutral company.

Not prepared to compromise on quality, wherever possible we purchase raw materials with the highest recycled content. We work with like-minded suppliers who use raw materials and components obtained only from ethical sources.

We constantly review our global logistics operation to ensure that we minimise any negative impact on the environment. We actively monitor the carbon footprint of our products throughout their life-cycle and work closely with the Greenworks organisation to deliver our award winning end-of-life product management process. This service allows clients old corporate furniture to be collected, redistributed and reused by local good causes. Where furniture is not fit for reuse it is broken down and recycled.
