

| prima

Prima features a traditional hardwood frame and interwoven elasticated webbing to provide durable and high comfort levels.

Options

Prima comes as standard with natural beech feet and is self piped. It is available as an armchair or two-seater sofa.

Prima can be finished with twin stitching instead of piping at no extra charge. Beech feet may be stained or alternatively aluminium feet may be ordered as an option.

designed by Boss

| Prima is a contemporary classic. Secure, dependable and comfortable, Prima's classic design and form make this a chair that offers a counterbalance to the pressures of today's hectic routines.

| Designed for use in lounge, reception and third-space areas, Prima's soft, rounded forms encourage a relaxed ambience. This makes it ideal seating for ensuring visitors immediately feel welcome.

| Seating from across the Prima range can be configured in different arrangements to set the tone for more relaxed and informal meeting spaces.
