

LITTLE FRIEND

REPUBLIC OF **Fritz Hansen**®

Little Friend is a flexible, multifunctional and portable table. A brand-new and ground-breaking piece of furniture for work as well as for the home. The optional height adjustment makes Little Friend suitable together with low lounge furniture and chairs in standard height.

Design: Kasper Salto

DESIGN

DESCRIPTION

Multi-functional table for the office and the private home.
Designed by Kasper Salto, manufactured by Fritz Hansen.

FINISH

The table is available in two models: A height-adjustable version and a version with fixed height. The table top is a full-coloured white compact laminate. The button on the top of the height-adjustable model is made of brass, polished and chromed and activates the height adjustment. The top has a cut-out carrier handle. The centre tube on the height adjustable model is a telescope tube: The outer tube is in mirror chromed steel and the inner tube is in satin matt steel. On the model with fixed height the centre tube is in mirror chromed steel. The three-legged foot and the flange are pressure moulded polished aluminium.
