

# ICE TABLE

REPUBLIC OF **Fritz Hansen**<sup>®</sup>

The Ice table is characterized by the same qualities as the Ice chair: Light, stackable and suitable for both outdoors and indoors. The obvious connection between table and chair create a natural series that functions equally well in a casual as well as a formal atmosphere.

Design: Kasper Salto

# ICE TABLE

REPUBLIC OF **Fritz Hansen®**

## DESIGN

Kasper Salto, 2004

## DESCRIPTION

Light stackable tables for conference, seminar, dining and the private home, indoors or out. Designed by Kasper Salto, manufactured by Fritz Hansen.

## FINISH

The table top is weather resistant compact laminate, dark grey and silver-grey. The aluminium base of the Ice tables is available in 2 finishes: Either "mirror-polished" for indoor use. Or "satin matt" for indoor or outdoor use since the legs are polished chemically and natural anodized - and the rails and edges are chromated, powder-coated silver-grey and varnished. The screws are coated for optimum weather resistance.

## VARIETIES

Model KS 310 - square - 80x80 cm  
Model KS 312 - rectangular - 140x80 cm  
Model KS 323 - circular - Ø83 cm  
Model KS 324 - circular - Ø103 cm

## DIMENSIONS

| Model   | Height/length/width | Weight  |
|---------|---------------------|---------|
| KS 310: | 73/80/80 cm         | 15.9 kg |
| KS 312: | 73/140/80 cm        | 23.3 kg |
| KS 323: | 73/Ø83 cm           | 13.8 kg |
| KS 324: | 73/Ø103 cm          | 17.8 kg |

## MAINTENANCE, ENVIRONMENT AND TESTS

Wipe off with a dry or moist cloth. Wash with ordinary detergent and clean water. For environmental reasons all parts on the Ice table can be dismantled. The plastic material can be granulated and recycled and the aluminium can be remelted and recycled. The Ice table has been tested by Danish Technological Institute and meets EN 1730:2000 for stability, strength and durability, level 4 (out of 5 possible), i.e. normal use in public environments, e.g. offices.

## GUARANTEE

A five-year guarantee against manufacturing defects in standard products (materials and workmanship). Wear, tear and damage to the product is not covered under this warranty. Claims from end users under the guarantee must be submitted to the vendor from whom the product was purchased. All measurements are indicative.
