

LILY 3208/3218

REPUBLIC OF **Fritz Hansen**[®]

Arne Jacobsen's chair model "3208" was originally designed for the Danish central bank. It is also referred to as the "Lily" and was first introduced at the Danish furniture fair in 1970. The chair is a result of an extremely complicated process that ensures the perfect curves and hence best comfort.

Design: Arne Jacobsen

LILY 3208/3218

ARNE JACOBSEN 1902 - 1971

Our cooperation with Arne Jacobsen dates back to 1934, but it was in 1952 the break-through came with the Ant chair. It was succeeded by the 3107 series in 1955. This propelled his and Fritz Hansen's names into furniture history.

Arne Jacobsen was and is an admired and outstanding designer. While the significance of Arne Jacobsen's buildings was less appreciated, his furniture and other design work have become national and international heritage.

LILY 3208/3218

DESIGNER

Arne Jacobsen, 1970 (2008)

DESCRIPTION

Chair for the office or home. Designed by Arne Jacobsen; manufactured by Fritz Hansen.

FINISH

The shell is made of moulded plywood. The wood is laquered, and the chair comes in three colours (red, white & black). The chairs have armrests. The base is 14 mm steel tubes with 4 legs (model 3208) with leg ferrules of black-grey synthetic material; height adjustable swivel base with 5 castors (model 3218).

The model 3218 is delivered with 5 standard hard-wheel castors with alu caps.

VARIANTS

Shell and armrests come without upholstery or in a leather-upholstered version. All finishes can be with two different frames - four legs or with castors. All versions (3208 and 3218) comes with a chromed base.

UPHOLSTERY

The upholstered version of the chair is as a standard version upholstered in black Soft leather. The thickness of the upholstery is 10-12 mm.

Other leather versions are possible as a special order.

DIMENSIONS (3208)

Height	81 cm
Seat height	44 cm
Width	64 cm
Weight	7 kg

DIMENSIONS (3218)

Height	81-91 cm
Seat height	45-55 cm
Width	64 cm
Weight	7 kg

LILY 3208/3218

MAINTENANCE

Clean the laquered wood shell by wiping with a dry cloth. To remove stubborn spots, use a cloth wrung out in lukewarm water. If this does not remove the spot, a weak solution containing a universal cleaning agent or dish detergent may be used. Afterwards, wipe with a cloth wrung out in clean water and then dry with a dry cloth. The chromed frame can be wiped with a dry or moist cloth and then dried with a dry cloth. The leather is to be cleaned and maintained as specified in the directions that come with the chair or according to the leather manufacturer's instructions.

ENVIRONMENTAL FRIENDLINESS AND TESTING

The chair can be completely disassembled into parts to be recycled or incinerated.

Laquered chairs are surface-treated with a polyurethane varnish that does not give off formaldehyde.

EN 1728: strength and durability; test level 2 according to DS/INF 130.

EN 1022: stability.

GUARANTEE

A five-year guarantee against manufacturing defects in standard products (materials and workmanship). Wear, tear and damage to the product is not covered under this warranty. Claims from end users under the guarantee must be submitted to the vendor from whom the product was purchased.

PACKAGING

The chair comes packed in a foam bag and a cardboard box.

All measurements are for guidance only.

Height:	86 cm
Width:	56 cm
Depth:	66 cm
Weight incl. packaging:	10 kg
