

Test Certificate

This certifies that the Sofa, manufactured by Boss Design Limited and tested at FIRA International Limited, successfully satisfied the applicable strength test requirements from BS 4875: (1985): Part 3 to test level 3 and the relevant stability test requirements from BS EN 1022: (1997) and is therefore considered to be structurally suitable and sufficiently stable for general domestic and careful use.

Report reference: STSEF01737/DCH/JEB refers.
