table

Trace table designed by IntheDetail

design

Sold by the likes of MOMA in New York, the trace table range is simply a modern classic that speaks for itself. Suffice to say, the immaculate hand made steel frame and repetition of shapes make trace an exquisitely balanced form. Historically seen with a clear glass top, trace works equally well with opulent or contrasting materials recessed flush into the frame. Use trace in the standard sizes in any interior or talk to us about a bespoke size to suit your specific requirements.
technical

Trace is handmade from cold drawn mild steel. The selection of steel is ideal for achieving sharp lines and a smooth finish. The finished single piece frame has a surface finish of hard wearing polyester powder coat, while the various table top options have their own unique characteristics and can be fully tailored for a client's needs. *All dimensions quoted are rounded to the nearest 5mm or nearest 1/2 inch.

sizes

02 TRA-CT Trace coffee table
metric (mm) W1100 D550 H350
imperial (in) W43 D21.5 H14

TRA-SQ Trace square coffee table
metric (mm) W850 D850 H250
imperial (in) W33.5 D33.5 H10

03 TRA-ST Trace side table
metric (mm) W450 D300 H450
imperial (in) W17.5 D12 H17.5

01 TRA-800-DIA Trace circular table 800
metric (mm) W800 D800 H350
imperial (in) W31.5 D31.5 H14
*note edge detail

TRA-600-DIA Trace circular table 600
metric (mm) W600 D600 H350
imperial (in) W23.5 D23.5 H14
*note edge detail

top options

Clear toughened glass. *Circular tables square polished edge.

White/black marble. *Circular tables square polished edge.

Oak veneer. *Circular tables matching veneered square edge.

Walnut veneer. *Circular tables matching veneered square edge.

White MFMDF *Circular tables matching edge band square edge.

Reverse painted glass. Black or Opti-white. *Circular tables square polished edge.

Reverse painted glass. RAL colours on request. *Circular tables square polished edge.

Forbo Lino. 20 colours available. *Circular tables square polished MDF edge.

base finishes

Polyester powder coat in black or white as standard.

Polyester powder coat in any RAL colour.

Brushed finish stainless steel.

Trace table designed by JntheDetail

general manufacture description

The Trace table is available in a range of sizes and finishes, for the purpose of this document we have a specific example from the range:

Trace coffee table
TRA-CT (veneer top)

Please use the material index and the breakdown of component mass below to establish the environmental qualities of other finish options in this range.
Trace is handmade from cold drawn mild steel bar, then weld jointed together and hand polished to a smooth surface. The finished single piece frame is finished with a zinc primed polyester powder coat.

The table top is CNC cut from oak veneered MDF. The raw MDF edge is polished and finished with a hard wearing spray lacquer.

facts

- 100% FSC certified timber
- naughtone is FISP and ISO14001 certified
- 16.3kg Total weight
- 55.2% Recyclable (frame)
- 44.8% Compostable (top)
- 44.8% Recycled content (frame & top)
- 44.8% Reusable content
- 100% Recycled & Recyclable content

contents

- Frame (mild steel) – 55.2%
- Top (MDF and oak veneer) – 44.8%

general manufacture description

The Trace table is available in a range of sizes and finishes, for the purpose of this document we have a specific example from the range:

Trace coffee table with a clear glass top.
TRA-CT (clear glass)

Please use the material index and the breakdown of component mass below to establish the environmental qualities of other finish options in this range.
Trace is handmade from cold drawn mild steel bar, then weld jointed together and hand polished to a smooth surface. The finished single piece frame is finished with a zinc primed polyester powder coat.

The clear glass top is made from toughened glass which is cut by a CNC router and the square edge is then polished. The glass top sits into the frame without fixings and is easily disassembled.

facts

- naughtone is FISP and ISO14001 certified
- 18kg Total weight
- 100% Recyclable (frame & top)
- 31.5% Recycled content (frame & top)
- 131.5% Recycled & Recyclable content

contents

- Frame (mild steel) - 50%
- Top (toughened glass) - 50%
