

FK. Design: Preben Fabricius, Jørgen Kastholm.

The FK bucket seat was laying down markers for a new formal language forty years ago. It received the first federal style prize and became a classic. The classic FK version has three legs but it is also available with five legs either with glides or castors. There are two different back heights. The FK lunge chair with its low seat height and invitingly broad bucket convinces on its own or in a group.

Designawards

Model no.

6725
